Creating Your Watch Party

To create a watch party from your News Feed or timeline:

1. At the top of your News Feed or timeline, click **Create Post**.
2. Click **...** then click **Watch Party**.
3. Search for a video or click a category (example: **For You, Watched, Live**) to view additional videos.
4. Click **Add to Queue** next to any videos you'd like to add to your watch party, then click **Done**.
5. You can choose to add a description for your watch party, then click **Post**. You'll see a message that says “Your Watch Party Is About To Begin.”

Once you're in the watch party you can add friends to watch with you.

Under the **“Live”** category, search for and select **“Florence Christian Church”**.

You will be directed to the church Facebook site and click **“Add to Queue”** the livestream video and be posted on your Facebook page.

Click **“Done”**.

This window will then appear. You have the opportunity to **“Say something about this...”** – consider inviting friends to join us for our service!

Then, choose **“Add Videos”**.

And Click **“Post”**.

Make sure the **“News Feed”** icon is checked so that it is easy to find by your friends.

Enjoy!
